D 101.2:

ARMY ROTC AT UNLV

Army Reserve Officers' Training Corps at UNLV adds leadership training and management experience to your chosen academic pursuits while preparing you to become an Army officer.

CURRICULUM

Basic courses in map reading, history, management and leadership count for academic credit and are offered with no obligation on your part. Advanced courses refine skills and abilities and include a paid six-week summer camp between your junior and senior years. The curriculum is designed to be exciting, educational and flexible enough to meet scholastic requirements while helping to accomplish your academic and personal goals.

EXTRACURRICULAR ACTIVITIES

From the mountains to the desert, Military Science students at UNLV participate in a wide variety of activities including rappelling, orienteering, marksmanship, physical fitness training, and intramural sports. Students may also compete with the Ranger Team and participate on the Color Guard.

FINANCIAL AID

Students have an opportunity each year to compete for scholarships that pay tuition, a flat rate for books and fees and $100 each academic month for two, three or even four years. All students enrolled in the Advanced Course receive $100 per academic month during the last two years of the program. You may even qualify to join the Army Reserve or National Guard while enrolled in Army ROTC and receive additional pay as an E-5 officer trainee.

VETERANS

If your're a veteran, you may use your military experience for advanced placement credit and take full advantage of your veteran's benefits in addition to Army ROTC's financial aid.
